## SMALL GROUP APPLICATION QUESTIONS

Salvation is a free gift, but discipleship will cost you everything.

### 1. REVIEW THE SERMON

Read Matthew 7:12 and 22:36-40. How are these two teachings of Jesus connected? How does this connection help us better understand and properly live out His teaching from verse 12?

---

---

---

---

Read Matthew 7:13-14. Explain Jesus' analogy in your own words as if you are explaining it to an unbeliever. How does this relate to verse 12 and why is it crucial if we are going to fulfill it?

---

---

---

---

### 2. ASSESS YOUR LIFE

How well are you fulfilling Jesus' simple instruction in verse 12? When and why do you struggle to follow it, despite its simplicity? Try to think of specific situations or people.

---

---

---

---

Which road are you on, the Narrow or Wide? How do you know? Give examples of how you have experienced the difficulty of the narrow road or ease of the wide road.

---

---

---

---

### 3. APPLY THE TRUTH

If you have chosen the narrow road – what are some areas of your life that are too easy because you are not sacrificing to love others as Jesus as commanded? If you have chosen the wide road that leads to destruction – why and what is keeping you from choosing the narrow road that leads to life?

---

---

---

---

### 4. COMMIT THIS WEEK

What will you do different this week to love others the way you want to be loved? OR What simple steps can you take this week to move towards salvation in Jesus?
