

Paul never gave up sharing the Gospel with others – whether they were brand new hearers or repeat listeners. Why is it sometimes hard to share the Gospel with someone again and again? Why is it hard to share the Gospel with someone for the first time? What is the key to continuing to share the Gospel even when we are frustrated or fearful?

3. APPLY THE TRUTH

No matter how many opportunities we have missed God graciously gives us another one – we just have to be ready. How can you use Pastor Micah’s list to be better prepared to seize the next opportunity God brings your way? What will you do now to be ready when the next opportunity comes?

SMALL GROUP APPLICATION QUESTIONS

YOU ARE THE NEXT CHAPTER OF ACTS!

1. STUDY THE SCRIPTURE

Read Acts 28. List some of the reasons Paul could have been very distracted, tired or even jaded during this portion of Acts? How did he respond to these challenges? Why does Acts seem to stop the story so abruptly and without resolving the story of Paul?

2. ASSESS YOUR LIFE

We all miss opportunities to share the Gospel at times. Why do you sometimes miss opportunities to share the Gospel? What external and/or internal forces often keep you from seizing opportunities to share the Gospel? Can you share a specific time where you know you missed an opportunity to share the Gospel?
